

TOWN OF SIDNEY

Junior Engineering Technician

In the Town's Engineering Department, the Junior Engineering Technician position is responsible for performing technical work in civil engineering, both field and office assignments for municipal infrastructure projects, review and preparation of construction drawings, surveying, preparing cost estimates, and site inspections. A diploma in Civil Engineering Technology is required, plus 2 years related work experience, preferably in a municipal environment. A detailed job description is available on the Town's website at www.sidney.ca.

This is a regular, full-time Union position with a pay rate of \$31.40 - \$34.14/hr, plus a comprehensive benefits package. While this is intended to be a full-time position, 4 days/week (80%) may be considered upon request.

Submit resume with cover letter Town of Sidney, Competition **#2022-U07**, 2440 Sidney Avenue, Sidney, BC, V8L 1Y7, fax: 250-656-7056, email: careers@sidney.ca. This employment opportunity will remain open until the position has been filled

We appreciate all submissions, however only candidates invited for an interview will be contacted
