

TOWN OF SIDNEY

Manager of Human Resources

The Town of Sidney is looking for an experienced Human Resources professional to join our creative and dedicated management team. We're tired of doing HR off the sides of our desk, and are at a point where a specialist is essential. We offer a challenging and rewarding work environment that supports professional and personal balance.

We have a positive work environment, good relationships with our employees, and strong HR practices in place. We are looking for someone to take it to the next level, in a supportive, collaborative setting.

Applicants are required to possess a degree in Human Resources Management or related field (having a Certified Human Resource Professional designation would be an asset), plus a minimum of 8 years of experience, with 5 years in a unionized environment. A detailed job description is available on the Town's website at www.sidney.ca.

This is a regular, full-time exempt position with a salary range between \$101,274 and \$112,527, depending on qualifications and experience, and an excellent benefits package.
