

**TOWN OF SIDNEY
NOTICE
GRANT IN AID**

Each year, Council allocates funding in the Financial Plan for grants-in-aid for community projects.

If your not-for-profit organization wishes to apply for a grant in 2018, please obtain a grant application from the Town Hall or the Town's website (www.sidney.ca) and make a written request to Council detailing the exact amount of the grant request and what the funding would accomplish. Revenue and expenditure budgets for the project, as well as details of citizen use and involvement, should also be included.

The deadline for receipt of grant requests is Wednesday, January 31st. Please submit requests to the attention of Andrew Hicik, Director Corporate Services.
