

Help Shape Sidney's Parks!!

The Town of Sidney is in the preliminary stages of creating a Parks Master Plan. This plan will set out a vision for the future direction of parks and related activities in Sidney. The public open house is an opportunity to provide comments and feedback that will help guide the document throughout the process.

To learn more about this project and tell us what you think Sidney's future parks should look like, please join us at the:

Parks Master Plan

Informational Public Open House

Aug 22nd (Tues) from 4:00pm - 6:00pm

in the Mary Winspear Centre

(2243 Beacon Avenue)
