

TOWN OF SIDNEY

RCMP Computer Systems Analyst / LAN Administrator

The Town of Sidney, located on the Saanich Peninsula, is a vibrant waterfront community with a population of almost 12,000. The Town provides a high energy, creative and collegial work environment that supports balanced professional and personal activities.

In the Sidney/North Saanich RCMP Detachment, the position of Computer Systems Analyst / LAN Administrator is responsible for: configuration, administration and maintenance of the Information Technology infrastructure and Local Area Network; installation and maintenance of hardware and software; providing technical support to staff; and investigating and resolving technical issues. A diploma in computer science and at least 3 years of experience is required, as well as CCNP and MCSE certification. Previous experience in an RCMP setting is an asset. A detailed job description is available on the Town's website at www.sidney.ca. **The successful candidate must pass enhanced security clearance.**

This is a regular, full-time Union position with a salary of \$35.70-\$38.79/hr (*currently under review*), plus a comprehensive benefits package.

Submit resume, with cover letter to the attention: **Competition #2021-U08**, Town of Sidney, 2440 Sidney Avenue, Sidney, BC, V8L 1Y7 Fax: 250-656-7056 or email: careers@sidney.ca **by 4:00 pm, Friday, April 16, 2021.**

We appreciate all submissions. Candidates invited for an interview will be contacted
