

TOWN OF SIDNEY

Climate Action Coordinator

The Town of Sidney, located on the Saanich Peninsula, is a vibrant waterfront community with a population of almost 12,000. The Town provides a high energy, creative and collegial work environment that supports balanced professional and personal activities.

Reporting to the Senior Manager of Long Range Planning in the Development Services Department, the Climate Action Coordinator will focus on the development and implementation of municipal climate action priorities leading to the reduction GHG emissions, climate change mitigation and climate change adaptation. A University degree or Technical Diploma in engineering, planning, environment, science or equivalent with 5 years experience in the field of engineering or municipal planning, plus 3 years experience in climate action sustainability initiatives within the context of municipal government is required. A detailed job description is available at www.sidney.ca.

This is a temporary, full-time Union position (two-year term) with a salary of \$35.70 - \$38.79/hr (under review), plus 14% in lieu of benefits.

Submit resume, with cover letter to the attention: **Competition #2021-U06**, Town of Sidney, 2440 Sidney Avenue, Sidney, BC, V8L 1Y7 Fax: 250-656-7056 or email: careers@sidney.ca **by 4:00 pm, Friday, April 9, 2021.**

We appreciate all submissions. Candidates invited for an interview will be contacted
