

TOWN OF SIDNEY SNOW CLEARING

In the event of a snowfall, the Town of Sidney will keep major arterial and collector streets open and will clear snow and ice from as many local streets as possible, particularly those in the downtown area. In addition, snow and ice will be cleared from the sidewalks at intersections and bus stops, with general priority given to locations serving higher pedestrian volumes.

Residents, property owners and businesses are reminded that Section 51 of the Town's Streets and Traffic Regulation Bylaw No. 1966 requires every property owner or occupant to clear snow and ice from the sidewalk in front of or abutting their property.

The Town is therefore requesting co-operation from all residents and businesses in this matter to ensure the safety and convenience of the public. Please remember your elderly or disabled neighbours who would appreciate your assistance. Your efforts to make Sidney a safer all-weather community are greatly appreciated.
