Addendum #1 – March 3, 2026

Project No. 2026-004

Sport Courts at Philip Brethour and Rathdown Parks

Question 1:

Does the town have a budget in mind for the install services? Would you be able to share the budget?

Answer – Funding for both multi-sport courts is included within broader park improvement projects in the 2026 Financial Plan. The total 2026 budgets for these overall park upgrades are:

- Philip Brethour Park: \$471,000
- Rathdown Park: \$550,000

Because the courts are just one component of these overarching park upgrades, the Town will review the final project scopes once proposals are received. If necessary, some planned park elements may be deferred to ensure the work stays within the available budgets.
