TEMPORARY WATER SHUT-OFF NOTICE

**Monday, August 11, 2025
10:30 am to 3:30 pm**

Residents of Harbour Rd.

The Town of Sidney will be relocating the existing water main on Harbour Rd. To facilitate this work, there will be no water service to your residence during this time.

The work is scheduled to commence Monday, August 11, 2025.

Crews are anticipating having the water turned off at 10:30am and back on at approximately 3:0pm.

Residents may wish to fill buckets with water prior to the shutdown to refill toilet tanks once flushed to prepare for the next use. Residents may also wish to fill some containers in the kitchen for use during this shutdown.

We apologize for the inconvenience and greatly appreciate your patience during this necessary work.

If you have any special water needs or questions, please call me at 250-883-5971 between 8:00am and 3:30pm., Monday to Friday.
